What's Happening at Hope:

New Sermon Series: When you look around or look in the mirror, what do you see? Who do you see? And what and who do you not see? How we see impacts how we live. Pastor Christie is preaching a sermon series on "To See Ourselves" so we can explore the lenses we use to interpret the world, our lives, and our faith. As we continue our journey through Scripture, we will spend several weeks with some Old Testament figures and prophets. Some are well-known, others are more obscure, but each provides us with a new perspective on who we are and who God is. We hope you will join us!

Special Offering: Last Sunday we collected a special offering for Presbyterian Disaster Assistance hurricane relief, in cooperation with other Presbyterian churches across North Alabama. Presbyterian Disaster Assistance (PDA) provides professional assistance and coordinates aid in the wake of disasters across the country and around the world. North Alabama has been the recipient of hundreds of thousands of dollars in PDA aid for tornado recovery in just the past 10 years. Designated donations to PDA are used entirely to provide and deliver/manage aid. Many people across the southeast and up the east coast were affected by Hurricanes Florence and Michael, and some lost everything. We thank you for join us in giving generously to share the love of Christ with our neighbors.

Living Gratefully, Giving Gracefully: Scripture reminds us that God is generous beyond measure. This year's stewardship season focuses on how we use our time, talents, and gifts to reflect God's abundant grace through our mission and ministry. Over the next few weeks in worship, you will hear from different members about how God has blessed them and their response to God's generosity. You are invited to consider how we can all grow in faith by cultivating gratitude and practicing generosity. A letter and commitment card will be mailed to you at home in the next weeks to give you time to prayerfully consider what gifts you might offer this year. Commitment Sunday will be November 11, and we will have a special time in worship to dedicate our gifts for the coming year to God in gratitude for God's gifts to us. Your gifts support the many wonderful ministries of Hope and are an investment in the lives that those ministries touch—in our church, in our neighborhood, and in our world. Your gifts matter. May God bless you as you prayerfully consider your stewardship pledge in support of the ministries of Hope Presbyterian Church in the coming year.

Hope Presbyterian Playschool: This week our Playschool friends learned all about nocturnal animals! There were lessons on bats, raccoons, owls, skunks, and more! Our friends also enjoyed Trick or Treating among the offices and classrooms, and had a great time at their class parties. There's always a lot going on at the Playschool!
